Mr. Paul Rodrigues

# MR. RODRIGUES RETIRES

Mr. Paul Rodrigues is a graduate of New Bedford High School, a veteran of many years as a faculty member and administrator in the New Bedford school system, former headmaster of New Bedford High School and ultimately the superintendent of all New Bedford schools. He is a gentleman who has been feared by a few, beloved by many and respected by all. His reputation for fairness, straightforwardness and integrity is undisputed. He is known for listening to both sides of any story and guarding the right of others to disagree with him. Let it be known that Mr. Rodrigues has made an immeasurable contribution to this city and, more importantly, to its students. His retirement in August of 1981 has effected an incredible loss to the field of education. We shall miss him.

Mr. and Mrs. Richard E. Goulart

Dear N.B.H.S. friends,

When I first came to New Bedford and began studying, it was very difficult for me because this school seemed so big. In my country of Colombia, there are no schools of this size. Your customs are also different, and I saw snow for the first time. Since I arrived, I have learned another language, participated in clubs, shared ideas, fun, and great moments. As I look back, this has been a unique experience for me.

I would like to thank all of my friends and the people who helped me in all of my troubles. Thank you, American Field Service, for this opportunity and I hope to return to New Bedford High School someday and share many memories with all of my friends.

A special thank you must go to both the Harringtons of Summer Street and the Williamses of Willis Street.

Sincerely yours,
Your A.F.S. friend,
John Sejnaui

"Captain Lou" is off to college or Europe. Noted for short-fused temper. Wants to be a millionaire. Friends were simply great. Abashed when he walked into girls' room by mistake. "Do it while you can." Occupational Foods turned him on.

### ROB HORNER
"Jai Alai" is into jai alai, bowling and chess. Dream: to be back-court champ at Milford. Usually found in Crimson Courier Office. Journalism was a great way to express yourself. NBH red tape was a turnoff but Mr. Biscari and Mr. Goodfellow made up for it. Headed for Miami and pro jai alai.

### WALTER KOWALCZYK
"Gator" is happiest cruisin' the Ave. Saddest was the day he got fired. Would love to see the world with his Dad. History with Mr. Z. was OK. See him at Wonder Bowl. Probably going to work, then into Air Force or a trade school.

### MARIA HELENE LOPEZ
Hobby is dancing. Spanish was her favorite because communication with others is muy importante. A soccer fan. Hated short lunch periods. Means to go to college for nursing.

### DAVID OLIVEIRA
Wants to join Coast Guard and become rich. Enjoys girls, swimming, biking and partying. Known for being short and talking on phone. Falling in school pool with clothes on was excruciating. Approved sports, girls and Mrs. Purcell's class at NBHS. Will always remember parents for being great. "What's up?"

### TRACY PERRY
"Tra-Tra" is on to Pittsburgh to become cruise director. Happiest with South Side Ladies or Jivebox. Will always treasure mother's loving and understanding ways. Can be found at Monte's Park. Mr. Longo and Ms. Leal topped the charts. "Yeah, sure, you'll get over it."

### LISA SYLVIA
"Chunky" likes listening to music and making people laugh. Basketball games, Black History and Mrs. Conward won her praises. Hangs out at United Front. Private dream is to be a singer and travel.

### RHONDA LEE VIGEANT
"Rhon" enjoys skating and skiing. Happiest when with friends and listening to Pat Benatar. Feels lucky to have such wonderful and understanding parents. A very open person who doesn't appreciate party-poopers. "Live each night to the fullest." Admirer of Mr. Hochman.

### GARY SERODE
Gary enjoys watching TV and being around people. Worst fault: being shy. Secret wish it to become famous. Sarcastic people are on the bottom of his list. Philosophy of life: "Get through it."

I love you very much and I'll never forget you. All my love, Mike

To Ross: I'm glad I had the chance to spend many special times with you. You will always be and have a special part of my heart. Love, Janet

To the gang: Good luck, in the future, past and present and leave Mike alone. A third lunch shift dude, M.R.H.

Mom and Dad: I didn't think you would have to put me through school, but you did. Thank you very much for everything you have done for me. I love you. Todd

To M.K. and "Mom" for their support and encouragement, to the two Mr. P's for caring enough to be critical, to Longo the bum for understanding me, and to Mr. Burke, without whom I never would have survived the last four years . . . I love you all. Deborah P.S. to Mrs. Sawyer: . . . thanks for never yelling too loud; I kept my promise. Love ya!

Hi, Eggs: I just want to remind you of our little secret and of all the good times we had, especially when we would miss the bus. A good friend, Bacon

Fe: You never let me down, you turned my life around, the sweetest days I found were with you. It was better every day, you brushed my tears away. You've taught me everything I know, I never thought I need someone so, but through the years I need you more. Always glad to be with you. When everything went wrong, with you I felt strong. I never had a doubt, you always worked things out. I've learned what life's about by loving you . . . P.S. I'll never find one as dear as this beautiful person I have for a friend.

To Twana: From grammar school to high school, we have remained the best of friends. I can honestly say, I have had my most memorable, zany and craziest times with you. From Delmonte Green Onions to feeling doors, we've done it all. I'll never say goodbye, but only see ya, for I cannot stand to lose the best friend I've ever had. Nanda

To the Pres. and Vice of W.W.: There are no two crazy best friends who know how to have fun anywhere than you guys. Thanks for all the corruption, poor innocent me! Love from a faithful WW member, JJ

Curtis: I know you'll remember everything, the bus rides, the practices, and B.B., S.M., Tri-County, and all that good stuff like that. Thank you. Why? Because you're about the only one can stand me for six years and still be sane. Crab

Nat: You never let me down, you turned my life around, the sweetest days I've found, I've found with you. It was better every day, you brushed my tears away. You've taught me everything I know, I never thought I would need someone so but through the years I need you more. Always glad to be with you. I've never had a doubt, we've always worked things out. I've learned what life's about by loving you through the years. I love you.

To Wendi (Twinkie): I remembered the I. Never forget the summer of '81, our many shared classes and all those wild parties! What about M.E.? (Poor JD) Alpha is #1. Good luck with Cupcakes! Love, Debbi

Coach Hal Miller, Suzanne Caron, Elaine Cunningham, Kim Jacobson, Michelle Girard, Melissa Craig

The NBHS Girls' Winter Track team ran their own separate meets this season for the first time ever. Senior Joan Smith excelled all season long, along with the record-setting Junior Kristen Morgan. The team improved each meet after the records for the 600 and 4 X 400 relay were shattered in early season. Other key performers were Senior Kerri Fermino and Freshmen Melissa Craig and Michelle Girard, who provide hope for the future.

# GIRLS' BASKETBALL

Row 1: (L to R) Joila Gomes, Carla Duckett, Jean Silva, Rhonda Dias, Cathy Johnson, Donna Fields. Row 2: (L to R) Mike Longo, Asst. Coach, Chris Mendes, Nadine Robinson, Debbie Greenhalgh, Karen Bourgeois, Jeanne Bonneau, Head Coach.

This year's version of the Girls' Basketball Team compensated for its lack of height with great hustle and desire. This well balanced unit was led by Seniors Cathy Johnson, Joila Gomes, Donna Fields, Co-Captains Rhonda Dias and Jean Silva, and Carla Duckett. The team again entered post-season play after rolling through the season with several easy victories. Coach Bonneau admired their positive attitude and dedication greatly.

# FIELD HOCKEY

The Whalerettes finished their season, which included an exciting six-game win streak, with a 7-7-1 record. The Tri-Captains, Linda Lucio, Jen Wheelden, and "Reenie" Riley and Senior Joan Smith were outstanding all season. Juniors Beth Lent and Stephanie Roussos also excelled, providing hope for the future.

The Harriers dramatically improved their record to 4-1 from 2-8 last season. Co-Captains Mike Norton and Chris Mello paced this year's squad along with steady Senior Marc Viera. Th X-Country team capped its fine season with their best finish ever in the State Division 1 meet.

Coach Steve Gardiner hopes the team will improve upon this year's finish even further next year. Returning Juniors Joe Rocha, Keith Ainsworth, James Flanagan, Kevin Poyant and Sophomore stand-out Tony Macedo should make next season a pleasant one for Coach Gardiner.

# VOLLEYBALL

The Volleyball Team suffered through a trying season, finishing 1-11. However, its record does not illustrate the well-developed ball handling exhibited by the Whaler team.

Seniors Sheryl Amaral and Fernanda Carapinha composed the back line while Senior Capt. Cheryl Macedo and Juniors Debbie Clapper and Debbie Marshall handled the front line. Setting was highlighted by Senior Joan Affonce and Junior Judy Barnet.

The JV team played very well this season and will promote Sophomore Roxanne Robinson and Junior Debbie Wood to the Varsity squad next season. The ball handling and serving skills possessed by these two girls will bolster the Varsity squad. Remember the shut-out games versus Fairhaven and Voke.

# GIRLS' SWIM TEAM

The Girls' Swim Team continued its improvement under Coach Bruce Morell, finishing with a respectable 5-5 record. Co-Captains Beth Martin and Cathy Johnson provided solid leadership for the relatively young team. Sophomore Cathy Weaver continued her assault on the record book, shattering marks in the 500 and 200 yard freestyle. Departing Seniors, Corinne Perron, Corbina Jacintho, Kelly Swain, Rhonda Souza, Maureen Thornber, and Edie Silva provided strong support all season.

Firepower for next season exists in the form of divers Junior Linda Coucci and Sophomore Raegan Watkins, Sophomore freestyler Kristen Farnworth, and Freshman stars Nicky Fernandes and Roberta Verville.

# SOCCER

The NBHS Booters finished with an outstanding record of 10-3-1. They won the Southeastern Conference Division 1 championship and qualified for the Southeastern Sectionals of the Massachusetts Soccer Tournament. The Whalers' stingy defense allowed a miserly total of nine goals in fourteen games.

The Tri-Captains, Ted Da Costa, Fred Magalhaes, and Victor Mendes, contributed to the defensive and offensive efforts along with Fernando Pires, Carlos Martin, and John Semedo. Coach Matos on his players: "Their attitude, dedication, and hard work made it a championship season."

# BOYS' TRACK

The 1981-82 NBHS Boys' Winter Track Team was "one of the most well balanced teams ever assembled in the history of NBHS track", according to Coach Steve Gardiner. The Whalers' shot put foursome of Seniors Stephen Baptista, Brian Levesque, Bob Freitas, and Junior Chris Wheelden was one of the strongest contingents in Massachusetts schoolboy history. Co-Captains Dennis Cregan and Darren DeAndrade gave strong efforts along with Seniors Joe Santos and John D. Pacheco and Juniors Kippy Andrade, Sean Medeiros, and Joe Rocha.

Senior Quarterback Rich Theg led an explosive offense that featured Senior Tailback Gary Benoit as its major weapon. The defense, which produced two shutouts, was spearheaded by Senior Defensive Back Leroy Tolentino and Nelo Ortiz. # HOCKEY

The NBHS Hockey Team finished with an 11-7-2 record, almost qualifying for the playoffs. Senior Captain Dean Snell led the team in scoring and set an all time scoring record for his career in the process. Seniors Gary Boucher, Glenn Gagnon, and Gary Benoit were strong on defense all season. The team appears to be set for the future as many of its key contributors return next season including Dave Gerwatowski, Kevin Melancon, and Scott Allen.

The Boys' Basketball team stormed to a 17-1 record and established themselves as one of the best teams in the state during the regular season. Their success in the following tournament was attributed to their quickness and full court press, which stifled opponents all season long. The starting five of Senior Co-Captains Todd Dos Reis and Carlos Martin, Juniors Bobby Duarte and Scott Fournier, and Sophomore Shaun Beaudoin excelled consistently. The bench contributed mightily to the Whalers' success as Mark Dow, Buddy Wheatley, and Jack Sheerin filled in capably.

Led by a dedicated group of Seniors, the Whalers swam to a 7-1-1 record and capped the season with their second consecutive victory at the Southern Conference meet and their highest finish ever in the Sectionals. Although the Seniors led the team, the underclassmen improved steadily. Remember . . . the Senior Creed . . . Mrs. Roberta H. Sawyer
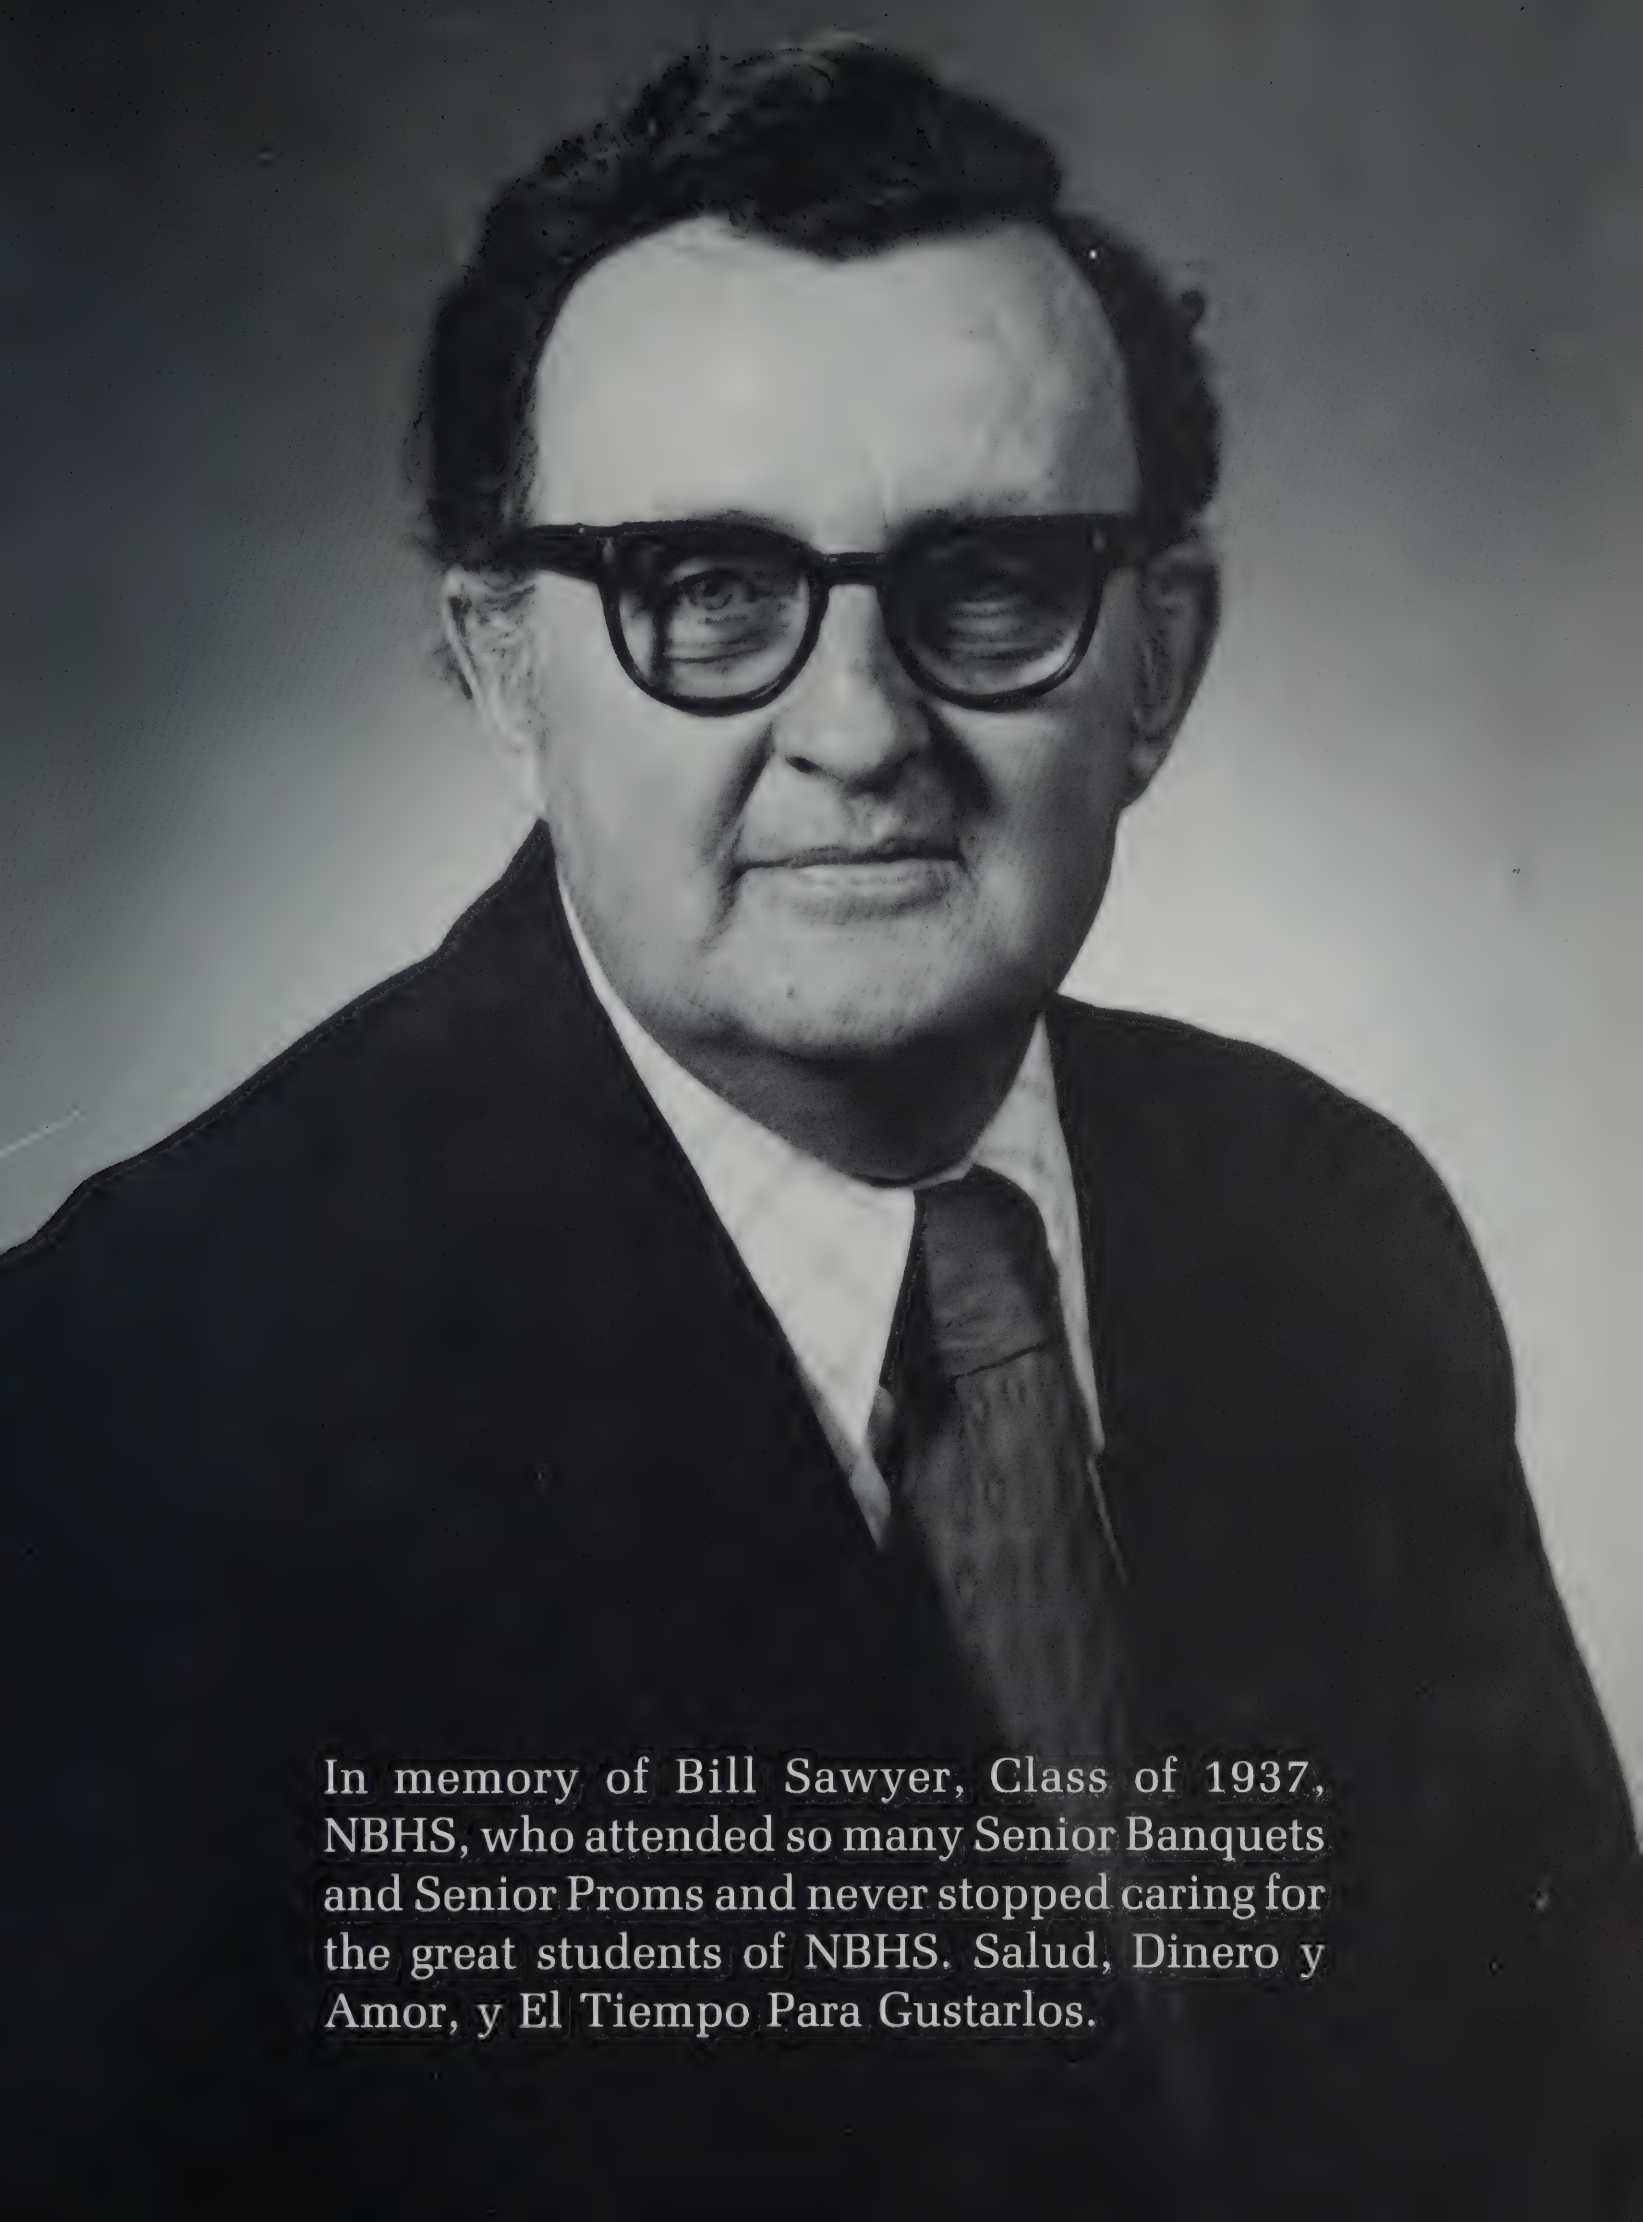
Dean of Students

After twenty-three years in the New Bedford School system, the last thirteen as Dean of Students at New Bedford High School, it is time for me to retire. I am delighted to be able to thank Mr. Walter Bonnar, now retired, for pleasant years spent under his leadership in the English Department, and for most rewarding times with Mr. Paul Rodrigues and Mr. Theodore Calnan as Headmasters. However, my dearest memories will be of the many wonderful New Bedford High School students who have allowed me to be a part of their lives and who never seem to forget me. All teachers can attest to the fulfillment these students provide. I feel especially blessed, as was my late husband, by their love. To all my colleagues and all my ex-students, may I say, "Salud, dinero y amor, y el tiempo para gustarlos." (Health, wealth and love . . . and the time to enjoy them.)



In memory of Bill Sawyer, Class of 1937, NBHS, who attended so many Senior Banquets and Senior Proms and never stopped caring for the great students of NBHS. Salud, Dinero y Amor, y El Tiempo Para Gustarlos.

Boy, do I feel better as a student tutor.

To the Class of 1982 . . .

I sincerely hope that this yearbook serves as a remembrance of your days at New Bedford High School. These past four years should not be forgotten for they were a major stepping stone in your walk through life. The staff of the "Crimson Log '82" has truly worked many hard hours to attain this goal with the invaluable counsel of Dick Swiech, the Hunter Publishing Company representative, the perfection, dependability, and speed of Mike Marston, the yearbook photographer, and above all the dedication, patience, and love of Mrs. Roberta Sawyer, the yearbook advisor.

I wish each graduate luck, courage, happiness, and success in the years to come. We are the builders of the future. Remember, we are the Class of 1982!!!

Sincerely,

Doris Voigtlander
Editor-in-Chief
